### Seeking Potential Official Shinagawa Souvenirs

Shinagawa is always looking for new  
official souvenirs to promote. Public relations  
and sales will be handled via publications  
and other media. For more information on  
eligibility and how to apply, please obtain the  
application form from the Shinagawa Tourism  
Association or via the Association's website.

## ECORU Fes ~2024 SPRING~

ECORU Fes is an annual event. This year, the theme is "Forest." We will hold numerous  
events where everyone can enjoy woodlands and wooden materials that are important  
parts of our everyday lives. There will also be a performance of bamboo instruments ,  
mobile food vendors and a park tour.

**Date and Time:** April 29 (national holiday), 10:00 a.m. to 3:30 p.m.

**Location:** ECORU Togoshi and Togoshi Park (2-1 Yutaka-cho)

**Inquiries:** ECORU Togoshi (Tel: 03-6451-3411, Fax: 03-6451-3412)

**Notes:**

1. Outdoor events will be held even in light rain but canceled in inclement weather.
2. Please note there is no parking available.
3. To reduce plastic garbage, we would deeply appreciate it if you would bring your  
own water bottle and shopping bag.
4. For more information, please visit the ECORU Togoshi website (<https://ecoru-togoshi.jp/>).

**You can access  
the website  
from here.**

## Recyclable Plastic Products Collection to Begin

Recyclable plastic products will be collected in all Shinagawa City communities from April 1 onward.

● Plastic products we had been disposing of as combustible waste are now collected as recyclable plastic

### How do you dispose of recyclable plastic products?

Put all plastic items (plastic containers, wrapping and products) together in one bag, and take the bag to your designated disposal location (the same location as before) on the designated collection day.

**Note:** PET bottles will continue to be collected separately as before.

Even items without the identifying “Pla-mark” can be disposed of as recyclable plastic products.  
For more information, please visit the Shinagawa City website.

**Inquiries:** Resource Recycling Promotion Subsection, Shinagawa Waste Collection Office  
(Tel: 03-3490-7098, Fax: 03-3490-7041)

You can access the Shinagawa City website from here.

## Shinagawa City Bulky Waste Application Center Reception Hours Have Changed

From April, the Shinagawa City Bulky Waste Application Center hours have changed as follows:

**Before change:** Monday through Saturday, 8 a.m. to 9 p.m.  
(closed during the yearend/New Year’s holidays)

**After change:** Monday through Saturday, 8 a.m. to 7 p.m.  
(closed during the yearend/New Year’s holidays)

**Tel:** 03-6733-5374

**Note:** The Shinagawa City Bulky Waste Application Center system (<https://shinagawa-sodai.com/>) is open on a 24-hour basis.

**Inquiries:** Programs Subsection, Shinagawa Waste Collection Office  
(Tel: 03-3490-7051, Fax: 03-3490-7041)

### Shinagawa Info

#### Multilingual FM City News Broadcasts

The city government broadcasts *Shinagawa Info*, a 3-minute municipal news program, in several languages on InterFM897 (89.7 MHz) from 6:56 a.m., Monday through Friday.

The languages broadcast are as follows:

**Mondays:** Chinese and Japanese      **Thursdays:** English and Japanese  
**Tuesdays:** Korean and Japanese      **Fridays:** English and Japanese  
**Wednesdays:** Tagalog and Japanese

In addition to daily-living information, emergency information is broadcast during times of emergency. You can also check the broadcast content via the website.

## Notice regarding Dog Registration and Periodic Group Rabies Vaccination

Dogs ninety-one days old or older are required by law to be registered once in their lifetime, and to get a rabies shot once a year.

### ● Registration

If you purchase a dog at a pet shop or from a breeder or take ownership of a microchipped dog, you must register or renew your pet’s microchipped information. Please register the new owner’s information and complete the designated procedures on the Ministry of the Environment database (<https://reg.mc.env.go.jp>) based on the registration certificate you received with your dog.

Other issues:

- Please complete the designated procedures in the Ministry of the Environment database if you move to another location or if your dog dies
- It is strongly recommended to implant a microchip in dogs you already own
- If your dog is not yet microchipped, you must complete registration procedures at the Shinagawa City Office service counter (registration fee: ¥3,000)
- If your dog is already registered in the Ministry of the Environment database and a problem arises, please contact the Microchip Information Registration Service Counter (Tel: 03-6384-5320).

### ● Periodic Group Rabies Vaccination

According to the Rabies Prevention Act, dog owners must have their pets vaccinated annually to prevent rabies. Periodic group vaccinations will be conducted at fifteen designated veterinary hospitals in Shinagawa City.

**Dates:** Until April 30 (Tue.)

**Notes:**

1. Since the hours of these locations vary, please check the website or bulletins of the veterinary hospital you plan to use.
2. If you cannot bring your pet in for this vaccination within the designated period, please do so at a veterinary hospital and complete the application procedures to receive a vaccination completion slip at the Shinagawa City electronic application service or one of the following places—the Public Hygiene Section (Hon Chosha 7F), Shinagawa or Ebara Health Service Center—or at your local community center no later than Sunday, June 30.

**Eligibility:** Dogs ninety-one days old or older registered in Shinagawa City

**Fee:** ¥3,750 (vaccination fee/vaccination tag issuance fee)

**Notes:**

1. If you have your dog vaccinated on a day outside of the designated period, the fees may be different.
2. A separate initial fee may be charged.

**Inquiries:** Public Hygiene Section  
(Tel: 03-5742-9132, Fax: 03-5742-9104)

## Changes in Shinagawa City Organizational Names and Service Counters

The organization of the city office has been significantly revamped in April in response to issues that arose during the COVID-19 pandemic, changes in the diverse lifestyles and values of Shinagawa City residents, and the desire to proactively develop new policies that support the happiness and wellbeing of residents.

Below are the most significant changes.
